

# Godwin Marching Band Interest Meeting

---

If you are interested in joining the Godwin Marching Band, this is for you to learn what it is all about. Returning members are also encouraged to attend to meet and work with the new potential members in your sections! No experience needed, we have a spot for everyone – come out, bring your friends, and have fun! \*

Parents are welcome to stay during the practice and meet with current Godwin band parents to learn what is involved and about potential volunteer opportunities. Mr. Ramsey will meet with new parents and all students at 7pm to talk about the calendar and expectations for the season.
