**Treasurer’s Report – Marilyn Moore**

Marilyn asked if there were any questions from the floor on the proposed budget that she distributed at the beginning of the meeting. There were none. There was a motion from the floor to approve the proposed budget. The motion was seconded. Marilyn then said there were two changes on line items on the proposed budget: Insurance was changed to \$375, and winterguard entry fees were changed to \$850. Neither of these changes changed the bottom line of the budget. There was then an amended motion from the floor to approve the budget with the aforementioned changes. The motion was seconded and the proposed budget was approved unanimously.
