The membership voted to dispense with the reading of the minutes from the last meeting.

District Band has been cancelled and is not to be rescheduled. The next newsletter will include congratulations to those who made it.

Composite pictures will be taken in the band room on February 22<sup>nd</sup> during band classes.

Colorguard can come during the day during 4<sup>th</sup> period or study hall.

Treasurer's Report – Marilyn Moore

Final spring trip payment is due next Monday, February 15<sup>th</sup>.

Upcoming Expenses include \$6000 for indoor instruction, but we have the indoor show soon so our balance should recover.

The balance due for each child is posted in the band room on a spreadsheet. If you have any questions please give Marilyn a call or email. A credit of \$42.11 was placed in every student's account that has paid all fall fees including meals.

Internet fees will be listed under administrative fees for lack of a budget category this year.

Spring Trip Chaperones – Vicki Deland

2-3 more chaperones are needed for spring trip. Please get in touch with Vicki if you would like to volunteer.

Ways & Means – Angie Smith

Kids sold 339 boxes of cookie dough for a profit of 1898.40, which went into kids accounts already. Delivery will be tomorrow, Friday, 2/12. Parents are needed from 11-5 to help. This is the last student fund raiser before spring trip!

Mr. Auman received an email from a company in Georgia that provides microfiber bed sheets for student fund raisers. The sets include a fitted sheet, flat sheet and two pillow cases. We can get them for \$12.50. He feels that we may be able to make a lot of money with this fund raiser. He can get a sample set of sheets. Cases include 12 sets of sheets. The program is called "Sheets for Profit". The sheets come in 10 colors and 4 sized. They are 1000 thread count sheets.

BINGO- We could have to become a 501 3c organization in order to participate. Laura is looking into what we need to do, but we are in need of a CPA to help with this process.

Equipment – Rob Roop

We are looking for a replacement truck.
