

**Godwin Band Boosters
Executive Board Meeting
4/12/10**

The meeting was called to order by Laura Hudson at 6:38 p.m.

The board approved dispensing with the reading of the minutes from the last meeting.

Laura congratulated Winterguard for placing 2nd in Championships, earning a Silver, and Drumline for coming in 3rd for a Bronze!

The Band Boosters received a letter from the grandparents of a participant in our indoor show complimenting the boosters for a well run show. Laura read the letter aloud for the board. Mr. Auman also received a card thanking Marilyn and Laura at our show.

If you have any comments or suggestions about this year's indoor show either email or call Laura.

Treasurer's Report – Marilyn Moore

See attached report.

We netted approximately \$8000. We still need to pay the custodial fees to the school. There are still some outstanding fall fees. Most expenses have been paid for the Disney trip. Gas receipts still need to be turned in and we need to pay for ½ of the truck rental. The brass section worked with the clinician as planned and that has been paid for. We are making the final payments to Michael and Mr. Mitchell tonight for indoor instruction. We should finish the year with a balance of about \$8,000.

There was some discussion about the Senior Banquet which is supposed to be a break even event. Corrine will talk to Dan Alexander about what his price would be to supply barbeque for the dinner this year.

Chaperones – Vicki Deland

No report

Equipment – Rob Roop

Rob and Mr. Deland will be driving the rental truck for Spring Trip.

Tribute Book – Melinda Whitehead

No report

Winterguard – Rose Brankley

Winterguard had a great season and came in 1st and 2nd place all season. They were Silver Medalists at Championship competition. Rose is looking at dates for tryouts for

fall colorguard. She will be sending an email after Spring Trip about returning uniforms. The kids are planning a get together to celebrate their successful season.

Winter Drumline – Michael Auman

Everything worked out in the end! The kids put on one of the most enjoyable performances that Michael has seen in his 6 years of working with drumline. Drumline took the Bronze at Championship. The theme for next year's indoor drumline will be "Celestial Journeys".

Tryouts for next fall will be May 10-14 from 4-6:30 (every day for a week). Everyone must come everyday in order to be considered.

Nominating Committee

This committee had still not been formed. We were in need of one more person. Angie Smith volunteered to join the committee, so they will begin forming a tentative slate of officers before next month's meeting. They will make the announcement at May's meeting and then see if there are nominations from the floor.

Meeting was adjourned at 7:05 p.m.

Respectfully Submitted,

Patti Thompson
Secretary, Godwin Band Boosters
