## *A Note from Logan:*

Jazz Night is a brand new event that we are trying this year. Its purpose is two fold, a fundraiser and an educational opportunity for our students. At the beginning of the year we had to come up with another event to make up for the shortfall in our budget due to the loss of Bingo, and this is it. We wanted to create an event that would be fun for participants, and also benefit our talented kids. We are trailblazing with this event, as nothing like this has been done before, and we need everyone's help.

We will need 5 to 10 people to set up and clean up, 4-6 people to serve at the cash "bar", one person at each cash box, (one at the "bar" and one at the door), and 2-3 people circulating as general chaperones. I would really love to have all the parents of the kids in the Jazz Band participating in this event. Any Jazz Band parent who comes to work gets to enjoy the music, and the evening, and also gets to see the audience appreciating and applauding THEIR child!

If you just can't help, and you just can't donate treats, please consider donating money to purchase items for the event.

Tickets can be purchased online through Paypal at our website. (They will be held at Will Call to be picked up at the door) Tickets will also be sold the week before the event at the school during lunches. A limited number of tickets will be available for purchase at the door.

Thanks!

Please use the attached form if you would like to donate a dessert or drink for Jazz Night. We are especially looking for festive "New Orleans" style desserts and treats. All band members parents are invited to participate; this event is not just for Jazz Band parents. If you love jazz, New Orleans, Mardi Gras, or just having a good time, come join the fun as a chaperone or guest!
