## **Spring Marching Band Update**

Mr. Ramsey

- If you have questions first go to the band calendar on the band website and to the Google doc (posted in meeting chat) to see if your question(s) has been answered.
- He showed a picture of the warmups which will be an Under Armour brand and will have the band logo on them.
- The show will not be like a traditional show in that there will be no theme. It will consist of two pop tunes and it will be more of a fun and light- hearted show.
- We are unsure if we are allowed to play at games yet. However, all games will be at home (if played).
- Students will wear their own masks. We are awaiting bell covers from the county.
- They are ordering color guard jackets.
