The July 27, 2020 meeting minutes were approved

Treasurers Report:

Bob Trull presented the budget plan draft for 2020/2021. Some changes to the budget include no spring trip planned, less fundraising, and an increase in scholarship money. The current bank account balance is \$28,000. The trailer is getting refurbished at this time. The county says the truck is not worth getting repaired, so right now we will rent a truck. A line item of \$2000 has been put into the budget to cover the cost of the rental truck.

Ways and Means:

The committee is looking to have a direct request for donations via Snap. They are also looking into yard signs or masks as fundraisers.

Mr. Ramsey:

Mr. Ramsey is still planning for the spring but waiting to see what happens with school. The spring season will be short with six games total. Four of the games will be home games. It is likely that the band will not travel to away games.

The next Band Booster Meeting will be Monday, October 26th

The meeting was adjourned at 6:56 p.m.
