Marching Eagles
2022 - 2023

Marching Band Families,

Welcome to the Godwin High School Marching Band! In this handbook you will find information and expectations needed to be a productive and successful member of the Godwin Marching Eagles. This marching band provides the opportunity for all members to develop their musical and visual skills, self-discipline, self-confidence, interpersonal skills, and leadership abilities. The band students will be challenged to be their best and to be proud of their accomplishments. I look forward to continuing the successes of the Marching Eagles and further developing a rich band tradition here at Godwin High School.
